

PERSONAL EXCELLENCE

(To the tune, Zippity Do Dah)

By Genevieve Fortuna

Personal excellence, what does that mean?

At *CDS it's an important theme.

Learn to practice, work as a team,

Give my best effort in everything.

What I do may not be perfect.

But what matters is trying,

Excellence is satisfying!

Personal excellence, what does that mean?

Give my best effort in everything!

(*CDS are the initials of my school. You can replace this with the words, my school, or the name, initials, or mascot of your school. Enjoy!)
